#TechTalkTuesdays @ 12:00 PM

Every Tuesday from February 23rd – March 9th

Join us for this virtual three-part series as we set out to discover the rich history of how a resort community became a revolutionary tech incubator and what this means for the future of tech in Boca Raton.

**February 23rd – The Early Years: Technology of Radar, IBM
Boca Raton and the First PC (1940s–1981)**

March 2nd – Boca Raton as Silicon Beach (1980s–2000s)

March 9th – Today's Technology Scene & Expectations for the Future
